## ABOUT ME

I have 5 years of professional experience as a software engineer. I love thinking outside the box, problem solving, and puzzles. When it comes to my work, I'm highly engaged, eager to contribute, learn, and develop my skills further.

My colleagues have described me as a creative and personable individual who approaches tasks with passion and integrity, while maintaining a professional, realistic, and supportive demeanor.

## EDUCATION

University of Victoria — *Bachelor of Science*

Sept 2013 - Aug 2017

Major in Mathematics, minor in Computer Science

## EMPLOYMENT HISTORY

Pela — *Software Engineer*
